Correction. In the article "Biphasic effects of estrogen on apolipoprotein synthesis in human hepatoma cells: Mechanism of antagonism by testosterone" by Shiu-Pang Tam, Trevor K. Archer, and Roger G. Deley, which appeared in number 10, May 1986, of Proc. Natl. Acad. Sci. USA (83, 3111-3115), the line reading "Communicated by Richard J. Havel, December 23, 1985" was omitted from the title page.
