## CHEMISTRY, SYSTEMS BIOLOGY

Correction for “Efficient solar-to-fuels production from a hybrid microbial–water-splitting catalyst system,” by Joseph P. Torella, Christopher J. Gagliardi, Janice S. Chen, D. Kwabena Bediako, Brendan Colón, Jeffery C. Way, Pamela A. Silver, and Daniel G. Nocera, which appeared in issue 8, February 24, 2015, of *Proc Natl Acad Sci USA* (112:2337–2342; first published February 9, 2015; 10.1073/pnas.1424872112).

The authors note that references 22 through 39 appeared incorrectly in the published references list. Below are the corrected references 22 through 39.
