

Correction

BIOPHYSICS AND COMPUTATIONAL BIOLOGY

Correction for “Ligand deconstruction: Why some fragment binding positions are conserved and others are not,” by Dima Kozakov, David R. Hall, Sefan Jehle, Lingqi Luo, Stefan O. Ochiana, Elizabeth V. Jones, Michael Pollastri, Karen N. Allen, Adrian Whitty, and Sandor Vajda, which appeared in issue 20, May 19, 2015, of *Proc Natl Acad Sci USA* (112:E2585–E2594; first published April 27, 2015; 10.1073/pnas.1501567112).

The authors note that the author name Sefan Jehle should instead appear as Stefan Jehle. The corrected author line appears below. The online version has been corrected.

Dima Kozakov, David R. Hall, Stefan Jehle, Lingqi Luo, Stefan O. Ochiana, Elizabeth V. Jones, Michael Pollastri, Karen N. Allen, Adrian Whitty, and Sandor Vajda
