Retraction for “Structure of vaccinia complement protein in complex with heparin and potential implications for complement regulation,” by Vannakambadi K. Ganesh, Scott A. Smith, Girish J. Kotwal, and Krishna H. M. Murthy, which was first published June 3, 2004; 10.1073/pnas.0400744101 (*Proc Natl Acad Sci USA* 101:8924–8929).

The US Office of Research Integrity has found that Krishna H. M. Murthy falsified and/or fabricated the protein crystal structure of vaccinia virus complement control protein in complex with heparin reported in this article and the corresponding structure factors and coordinate file deposited in the Protein Data Bank for entry 1RID (1). Accordingly, PNAS is retracting the article.
