Correction

MICROBIOLOGY

The authors note three author names appeared incorrectly. The author name Sarah M. Latham should instead appear as Sophia M. Latham, the author name Elizabeth A. Innes should instead appear as Elisabeth A. Innes, and the author name Johnathan M. Wastling should instead appear as Jonathan M. Wastling. The corrected author line appears below. The online version has been corrected.

The authors also note that the author contributions footnote appeared incorrectly. Sophia M. Latham should be credited with designing research, performing research, and contributing new reagents/analytic tools. The corrected author contributions footnote appears below.
